The greatest threat to our planet is the belief that someone else will save it – Robert Swan

Mr. Manoj L

Ms. Anupriya

Mr. Shashi Dogra

Mr. Ashish Yadav

Add a new plant, add a new friend.

The environment we live in,
The environment we breathe in,
The environment we enjoy in,
The environment we celebrate in,
The environment given to humans in
trust of preserving,
Let us get together for the environment
we celebrate and save it from all the
dangers in existence.

Flower can be compared to our life,
Leaf will be the hands that are always supporting us
Our entire life can be same like the Flower
With the help of leaf and root Flower is growing.

A flower does not think of competing with the flower
next to it

It just Blooms. 😊

The EARTH has moments
for those who capture..

Ms. Kritika

It's not yours,
not mine,
It's Ours.

So, Protect your
mother who,
nourish you
